

## June 2024

### President's Report:

Hi everybody,

Well, here we are into winter and the royal birthday celebrations here and gone. Wow, it's been a lifetime since we have celebrated a King's Birthday, seems strange doesn't it!

It was great to catch up with the Swan Hill group and hopefully they enjoyed the visit.

Rob Ferguson and I discussed how to make the weekend a memorable event and thanks to Rob for organising the barbeque get together on Friday night and a big thank you to those joined in and bought along extra trimmings to make it a feast.

Kate and I had a damp start to the weekend as the camper had gotten wet in the last rain so had to set it up and let it dry for the night, but after a very foggy start Saturday morning we felt ok about spending the night at home.

Rob took those riding for a tour to the Dareton Men's Shed and Kate and I visited the Wentworth Fly In where Dennis and Malcolm Traeger had braved the fog and been there since 9.00am – a great effort! A few other Club members arrived later in the day including Alan Tarr and Shane Kerr. The weather was a disappointment for the Fly In, but as usual they put on a great display and plenty of food.

We camped out at the Olympic Park Speedway Saturday night and thanks to our new heater had a great night only to be woken up in the morning with breakfast in bed, supplied and delivered by Bazz. Thanks Bazz (And Kate says it was very much appreciated).

The speedway was great and I am sure some of the riders were way older than the machines they were riding.

It was great to see the interaction between the clubs involved with the weekend's activities and hope everyone had a happy and safe weekend.

See you at Cabarita Lake for the next meeting on June30.

Ian Kinleyside.

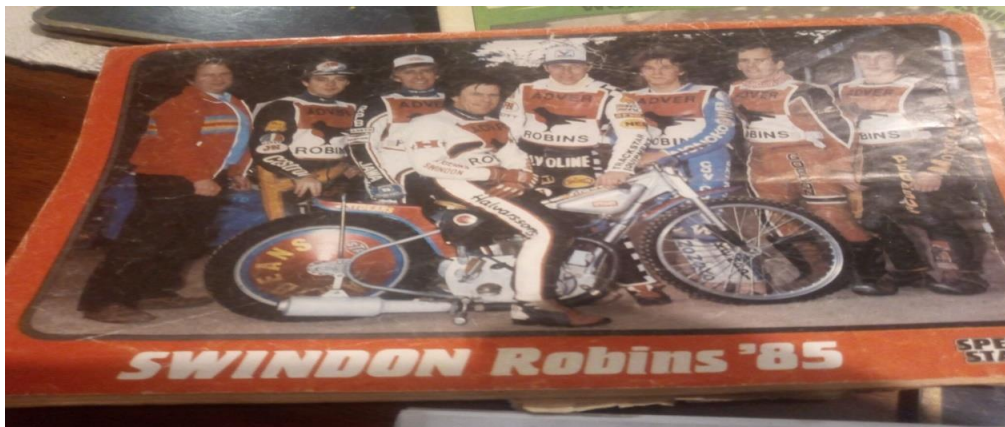

The following link has been provided by Hayden Roy and is on the Manx Norton for anyone who is interested. Click on it to enjoy. It worked for me, so hopefully it will work for others. I am not trying to change the font or anything else.

### Requests for help:

1. A friend of a member is restoring a 1989 Yamaha XT 250 trail bike. They are after a few bits and pieces, or maybe even a complete bike for spare parts. If you can help, please contact Teresa on 0400 979 728
2. Brian Englefield is asking for volunteers to help with a fundraising BBQ at Bunnings on Saturday, July 6 for the Royal Flying Doctor Service. If you are able to spare a couple of hours, please contact Brian on 0448 137 552.

The following photos/articles were supplied by Leon Yard from the Swan Hill group who thought our members maybe interested in them.

I actually have received a number of articles for the newsletter and have a lot of photos from the Meander, but have decided to call it quits here so that the Newsletter doesn't get too long and I will send some of the articles out individually.

### **Reminders:**

**Monthly ride this month, 30 June, the ride will leave from Hudaks at 10am as normal, but will conclude at the Cabarita Inc building at Lake Hawthorn.**

**This meeting is for members to check out the building and be able to make an informed decision about a possible relocation in the near future.**

**If you are not riding, please make the effort to attend the meeting so that you know what is being offered. All member's opinions count.**

July 6 & 7 - Wentworth Steam Rally

The **AGM will be held at the July meeting, 28<sup>th</sup>**. If you are interested in being involved in the Committee, please contact any of the Committee members about a nomination form.

As a general rule for Club rides, the mid-month rides are for the faster bikes and the General Meeting/Monthly rides are for the slower bikes in the Club

Ride safe, stay healthy and see you on June 30 at the Cabarita Inc building.
